

# Revolutionizing Indian Refrigeration

## Driving Health, Governance, and Economic Supremacy

## South Asia's Premier Refrigeration & Cold-Chain Exhibition

### INDUSTRY OVERVIEW

The largest and most focused exhibition for the refrigeration and cold chain sector in India, bringing together key players, innovators, and thought leaders in refrigeration technology and logistics. As a central hub for trade and industry, Delhi's economic supremacy makes it a strategic choice, offering easy accessibility for national and international participants. Its proximity to key cold chain infrastructure in North India further enhances its importance in sectors like food and beverage, pharmaceuticals, and logistics. Additionally, Delhi's strong governance and regulatory environment, alongside its critical role in healthcare, particularly in pharma cold chains, make it the perfect city to showcase advancements in these fields. This event provides an unmatched platform for networking, learning, and exploring groundbreaking solutions, with innovative exhibitions, technical seminars, workshops led by industry experts, and ample networking opportunities. Whether you're in food, healthcare, or logistics, REFCOLD India 2025 in Delhi is the must-attend event to explore the future of refrigeration and cold chain systems.

### REFCOLD 2025, DELHI

The **Indian Cold-Chain industry** is on a rapid growth path, expected to rise from **INR 1,585.1 billion in 2021 to INR 3,637.4 billion by 2027**. This "Sunrise Sector" is critical for **Delhi** and **North India**, regions with abundant agriculture and booming urban markets. Despite the wealth of produce, only **60%** reaches consumers, making cold-chain solutions essential. The rise of food delivery, e-commerce, and the need for efficient healthcare logistics, highlighted during the pandemic, has accelerated demand. With government support and the **NCCD**, this transformation is within reach. **REFCOLD Delhi** offers a platform to explore advanced cold-chain technologies, spanning Agriculture, Healthcare, Hospitality, and more - driving North India's future in the cold-chain industry.
