Kumbh Mela of Refrigeration and Cold Chain Industry
Displaying Lifelines for the Modern World

Mission: Atmanirbhar Bharat I **Annapurna** Bharat

ABOUT REFCOLD INDIA 2026

REFCOLD India, organized by ISHRAE Trade Fairs, stands as South Asia's premier platform dedicated to refrigeration and cold chain technologies. This prestigious event unites global innovators, technology leaders, manufacturers, suppliers, and key industry stakeholders to showcase the latest advancements, sustainable solutions, and emerging trends. It serves as a catalyst for knowledge exchange, business development, and technological collaboration. With a strong focus on energy efficiency, innovation, and future-ready infrastructure, REFCOLD India plays a vital role in strengthening the cold chain ecosystem, essential for sectors like food, pharmaceuticals, and agriculture. The event fosters growth, innovation, and strategic partnerships across the industry.

ADVANTAGE PUNE

Pune, strategically situated in Maharashtra's prosperous agricultural and dairy belt, is an ideal hub for cold chain and refrigeration business opportunities. The region boasts a strong presence of agriculture, dairy farming, food processing industries, and a well-developed logistics network, making it a natural fit for cold chain infrastructure. Its proximity to major production zones and urban markets enhances the efficiency of product movement, ensuring freshness and quality. Pune's thriving industrial base and innovation-driven ecosystem also attract technology providers and entrepreneurs, fostering collaboration across the value chain. This dynamic environment positions Pune as a key player in India's evolving cold chain landscape.

MESSAGE FROM CHAIRMAN

It is a great pleasure and pride for me that India's largest event in the field of Refrigeration and Cold Chain is happening in Pune, the Refrigeration Capital of India, in November 2026.Refcold India will truly, be a Kumbh Mela, showcasing sustainable, smart, and future-ready technologies in refrigeration and cold chain that will drive the growth of our industry — the lifeline of the modern era.

Er. Arvind Surange – Chairman - REFCOLD India 2026,
PP - ISHRAE, Fellow ASHRAE and I.E,
CMD ACR Project Consultants Pvt. Ltd.

MESSAGE FROM THE CONVENER

South Asia's biggest Refrigeration & Cold Chain event is coming to Pune, the major hub of Refrigeration industries of India. A unique platform to connect with industry leaders, decision makers, and government officials. Showcase innovations, explore opportunities, and join ISHRAE in creating awareness about the importance of Cold Chains in Nation Building. Come Home-Come Pune to REFCOLD 2026.

Shri Virendra Borade – Convener of REFCOLD 2026,
Director – Ecosmrt Systems & Solutions Pvt.Ltd.

MESSAGES FROM ISHRAE STALWARTS

It gives me great pleasure to announce that REFCOLD India 2026 will be hosted in Pune – the Refrigeration hub of India. With its strong base of innovation, education, and industry, Pune offers the perfect setting for South Asia's premier Cold Chain & Refrigeration Exhibition. We look forward to your partnership in making REFCOLD 2026 a true milestone in India's cold chain and HVAC&R journey.

Mr. Jayanta Kumar Das - Society President,
ISHRAE [SY – 2025 - 26]

REFCOLD 2026@Pune (Refrigeration Capital of India) will become the largest ever event for Refrigeration/Cold Chain industry in India. It will be the best opportunity to connect to industry leaders, Decision Makers and Government Officers looking forward for maximum companies to come forward and demonstrate their products and come forward and support ISHRAE for our mission to create awareness about Importance of Cold Chains for Nation Building.

Mr. Pankaj Dharkar - (Founder - PDA) MEP and Green Building Consultant, an ASHRAE, IGBC & ISHRAE Fellow

Pune is emerging as the Cold Chain hub of Western India, with strengths in horticulture, dairy, meat, frozen foods, and pharmaceuticals. Home to leading food processors, QSRs, and pharma companies, the city drives demand for cold storages, pre-cooling, and reefer transport. Proximity to Mumbai port boosts exports, while e-grocery and food delivery fuel last-mile growth. Truly, Pune is the Refrigeration Capital — the place to exhibit, explore new technologies, and grow your business.

Shri N.S. Chandrasekar - Society Chair Education & Presidential Member, ISHRAE Sustainability Consultant and Certified Energy Auditor @ Genex Consultants

I am delighted to welcome you to Refcold India 2026 in Pune. This landmark event drives innovation, sustainability, and growth in the refrigeration and cold chain sector. Pune, with its strong industry and technology base, provides the ideal backdrop for collaboration and knowledge exchange. Join us in making this edition of Refcold impactful and future-ready.

Dr. R Saravanan - Professor & Head, Department of Mechanical Engineering, Anna University Chennai
President Elect, ISHRAE SY 2025-26

REFCOLD India 2026, Pune — where innovation meets opportunity! From cutting-edge products to powerful seminars and conferences, it's the one place for consultants, trainers, and engineers to upgrade skills, network with peers, and drive the future of India's refrigeration and cold-chain industry

Ramesh Paranjpey - Senior Refrigeration Consultant,
ASHRAE Fellow, Life member

MESSAGES FROM INDUSTRY CAPTAINS

Congratulations to ISHRAE for organising REFCOLD 2026 and creating India's premier exhibition on refrigeration and the cold chain. Such platforms strengthen our industry by showcasing innovation, fostering collaboration, and highlighting sustainable solutions. We, at the The Federation of Associations of Cold Storages of India will be happy to support this initiative We wish you all the best!

Mukesh Aggarwal - President of Federation of Cold Storage Associations of India

The pharmaceutical industry relies heavily on robust cold chain infrastructure to ensure the safety and efficacy of life-saving vaccines and medicines. REFCOLD 2026 in Pune provides an excellent platform to showcase advancements that support this mission.

Jitendra Patil - Senior General Manager, Engineering Services, Serum Institute of India Pvt Ltd

We are delighted that REFCOLD 2026 is being held in Pune, in close proximity to Navi Mumbai — a region with one of India's most advanced cold storage and logistics infrastructures. This exhibition provides an excellent opportunity to highlight synergies between Pune's innovation and Mumbai's distribution strength. We wish the organisers and participants great success.

Lalji Savla - President, Navi Mumbai Association of Cold Storage Owners Chairman, Savla Foods and Cold Storages Pvt Ltd

Refcold 2026 is a landmark platform that brings together the latest technologies & solutions in refrigeration and cold chain. For Maharashtra, a hub of agriculture & food processing, such initiatives are vital in reducing wastage and ensuring quality. The Association extends its best wishes for a successful and impactful event.

Rajkishor Kendhe - President, Maha Cold Storage Association

Congratulations to REFCOLD 2026 for uniting pioneering minds and technologies shaping India's cold chain. I am confident this platform will inspire collaborations and accelerate India's journey toward a smarter, sustainable, and world-class cold chain ecosystem.

Anand Chordia - Director, Innovation & Technology, Suhana Spices
Chairperson - Food Processing Committee, MCCIA

Refcold Pune 2026 will be the biggest and most exciting event in Refrigeration and Cold Chain that India and this part of the world has experienced ! By bringing together an exhibition, seminars, and conferences under one roof, it creates opportunities for knowledge exchange, professional development, and collaboration across industries. I wholeheartedly welcome you all to be a part of this amazing journey !

Harshal Surange - Cold Chain Consultant, Empaneled Cold Chain Expert with Global Cold Chain Foundation, ASHRAE Region XV Refrigeration Chair (2024-25).

WHO SHOULD ATTEND?

Owners, Managers, Operators, Service Providers from following Sectors :

- Cold Storages and Cold Chain Industry
- Dairy, Horticulture, Poultry, Meat and Fishery Industries, Ready-to-Eat Food & Pharma Industry
- Food Processing, Logistics and Supply Chain Companies
- Refrigeration Equipment Manufacturers, Suppliers, Contractors & Service Providers
- Electrical Equipment, MEP, Lighting, Fire fighting, Automation and Allied items Suppliers.
- Turnkey project consultants, Refrigeration consultants
- Policy Makers, Academia, Institutions and Government Bodies
- Thermal Insulation and allied product Suppliers & Contractors

EXHIBITION HIGHLIGHTS

- Display of state-of-the-art, sustainable and innovative products & systems.
- Opportunity to expand business reach in India's booming cold chain market
- Connect with decision makers and buyers
- Engage with industry leaders, build partnerships and B2B Meetings
- Leverage the REFCOLD brand powered by ISHRAE

KEY FEATURES

B2B Networking | Unique Product Showcase | Innovation Zone | Knowledge Sessions | REFCOLD Awards | Demo Zone | Launch Pad | Global Poster Competition

REFCOLD INDIA GLIMPSES

PARTNERSHIPS

Major national and international industrial giants from the Refrigeration and Cold Chain sector are supporting this mega event as partners. Some government and industry institutions are also supporting the event.

200+ Exhibitors

15000+ Visitors

- International Conference with Global Experts
- Sustainable Equipment & Project Designs
- Net-Zero Projects
- Renewable Energy Systems, Pathways to Achieve Carbon Neutrality
- Buyer–Seller Meetings for Targeted Business Growth
- Awards Recognizing Industry Excellence
