ASSAM, KHANAPARA, GUWAHATI-22

Date: 17/05/2024

From : Bipul Das  
Assistant Director of Agriculture  
(Horti), RIDF

**Message**

It has come to our Knowledge that **ISHRAE** (Indian Society of Heating, Refrigerating and Air Conditioning Engineers) is going to organize 7<sup>th</sup> edition **REFCOLD INDIA 2024** at Kolkata. The event is being supported by NCCD, NHB and other Government entities.

**ISHRAE** is a pioneer organization not only in our country but also in global platform. It has been conducting **REFCOLD INDIA** exhibition since last near about one decade. After conducting successful event at Ahmedabad and Hyderabad summits, they have conducted at Chennai Trade Centre during 2023. After mega success of the event at Chennai, again they are going to conduct 7<sup>th</sup> Edition **REFCOLD INDIA 2024** at Kolkata on 03-05 October, 2024.

This type of event is very helpful especially young entrepreneur as well as new organization, those who are involved in preservation of different food commodities through cold chain.

I extend my congratulations to **ISHRAE** for organizing **REFCOLD INDIA 2024** and my best wishes for all the success of the event.

Yours faithfully

Assistant Director of Agriculture (Horti), RIDF  
Assam, Khanapara, Guwahati-22

Asstt. Director of Agriculture (R/FT)  
Khanapara, Guwahati-22
